

1 Those are the people involved?

2 A Yes.

3 Q Okay. And you were president?

4 A Yes.

5 Q You are still president?

6 A Yes.

7 Q You have always been president?

8 A Yes.

9 Q Now, Mr. Stewart, turning to page 7 of the exhibit.

10 There is a map there, isn't there?

11 A Yes.

12 Q And do you recall having seen this map before?

13 A Yes.

14 Q Do you know how this map came to be a part of the

15 application?

16 A It has the longitude and latitude on it.

17 Q Okay. The longitude and latitude of the proposed

18 tower? Right?

19 A That is correct.

20 Q Okay. Now looking at this map, what is your under-

21 standing from looking at this map as to the residential or

22 commercial or rural nature of the property on which you are

23 proposing your tower site?

24 A I knew so little about it that I really didn't know

25 that it would interfere with anything.

1 Q Okay. Well, that wasn't really my question. We are
2 getting in that direction. You are anticipating where I am
3 going, but the question that I had was: Looking at this map,
4 is there any way to tell?

5 A This was a -- Butler County is not zoned.

6 Q Okay. My question really is focusing on this. Some-
7 body is going to be looking at this map and making a deter-
8 mination whether this is an appropriate site for a radio
9 station. Now in looking at this map, is there something here
10 that in your view would let a person examining this map know
11 whether the transmitter site is going to be located in a
12 residential area, a rural area, a commercial area or whatever
13 the nature of the area might be?

14 A This is a rural area.

15 Q Okay. So the map would reflect that this is a rural
16 area?

17 A This is a rural area.

18 Q Okay. Now there is another map on page 11. I would
19 like you to turn to that. Okay. Would the nature of the
20 area, in your estimation, you know, change as a consequence of
21 looking at this map? We are still looking at a rural area,
22 aren't we?

23 A Yes.

24 Q Okay. Now, Mr. Stewart, I would like you to turn to
25 page 12. And do you see the numbered questions? It is a

1 | little bit hard to look at. You have to look at the left-hand
2 | margin in order to look at the numbers. Do you see various
3 | numbers there beginning with 19 and going to 25?

4 | A Yes.

5 | Q Okay. I would like to read Question 24.

6 | A "If the proposed antenna location is in or near a
7 | populated area such exhibit number, a discussion of blanketing
8 | steps proposed to remedy an interference which may occur."
9 | "Does not apply."

10 | Q Okay. Do you know whether that is in fact an accurate
11 | answer?

12 | A Yes.

13 | Q In other words, the area in which the tower is located
14 | is not a populated area?

15 | A It's rural.

16 | JUDGE STIRMER: What do you mean by "rural"?

17 | THE WITNESS: The gentleman east of me has horses.
18 | Within less than four houses from me has 50-60 hogs.

19 | JUDGE STIRMER: Are people living in the area?

20 | THE WITNESS: Yes.

21 | JUDGE STIRMER: Well, what does a "populated area" mean
22 | to you?

23 | THE WITNESS: There is a trailer court across from me
24 | that has a lagoon that runs down the ditch there. That is
25 | rural.

1 JUDGE STIRMER: Well, what is the population within,
2 let's say, a two-and-a-half-mile area of your house?

3 THE WITNESS: I have no idea.

4 JUDGE STIRMER: Well, what did you do to determine
5 whether or not this was a populated area?

6 THE WITNESS: I, Your Honor --

7 JUDGE STIRMER: Before you answered "Does not apply"?

8 THE WITNESS: Your Honor, I did not fill this out.

9 JUDGE STIRMER: Did you sign it?

10 THE WITNESS: This was filled out by Kevin Fisher. He
11 had took the maps. He ran the population of this. I had -- I
12 asked him could it be put there.

13 BY MR. SHOOK:

14 Q Now Mr. Fisher is not from this area, is he?

15 A No.

16 Q Has he ever been to this area?

17 A Not that I know of. He may have.

18 Q Well, I mean, so far as you know, he has no idea how
19 many people live within a two-and-a-half-mile radius of your
20 tower?

21 A The map at that time that he had gave the population.

22 Q Gave the population of what?

23 A Of the surrounding area, apparently. I notice here
24 that it also has dots which are, that he has circled, which
25 represent the houses and things of this nature.

- 2 A But he told us how many people was there.
- 3 Q Well, wait a second. When you talked about the dots or
- 4 the circles or whatever it was that you were just mentioning,
- 5 what did you have in mind, and what were you looking at? Are
- 6 you looking at page 7, or are you looking at page 11?
- 7 A Eleven. Page seven?
- 8 Q No, I just wanted to know what page you were looking
- 9 at. I didn't know.
- 10 A I am looking at 7.
- 11 Q Okay. I mean, for all Mr. Fisher knew, the area
- 12 around, the area within two and a half miles of your tower
- 13 could have been deserted except for your house, for all he
- 14 knew?
- 15 A On page 7, these dots represent houses. They represent
- 16 houses.
- 17 Q Did you and Mr. Fisher ever discuss how many of those
- 18 dots there were and, you know, how many households we are
- 19 talking about and how many people live there?
- 20 A Not that I recall.
- 21 Q You did review your application, though, prior to your
- 22 signing it and submitting it to the FCC, did you not?
- 23 A I probably read it, but what I meant I did not know. I
- 24 was a farmer. I was not a radio personality.

3 tion?

4 (Pause.)

5 JUDGE STIRMER: Do you have counsel's question in mind,

6 Mr. Stewart?

7 THE WITNESS: Sir?

8 JUDGE STIRMER: Do you have his question in mind?

9 THE WITNESS: What was the question?

10 BY MR. SHOOK:

11 Q Okay. You made reference to needs, needs of the area.

12 I just wanted to understand what it was that you were talking

13 about.

14 A As, this was the property that I owned.

15 Q Correct.

16 A And this was all I owned. I had no money to buy

17 anywhere else.

18 Q Now you are going to be putting up a radio station,

19 though, right? And that radio station was going to cost you

20 approximately how much money to put up? I mean, you had a

21 budget? Right?

22 A No.

23 Q You didn't have a budget?

24 A No.

25 JUDGE STIRMER: Well, what did you think? That you

1 | could put up a radio station without any money? Was that your
2 | thinking?

3 | THE WITNESS: Well, at this time I was worth several --
4 | when we put in the application, I was worth several, more
5 | than 1 million dollars.

6 | JUDGE STIRMER: Well, why did you say that you didn't
7 | have any money to buy a piece of land to put a tower up in a
8 | rural area?

9 | THE WITNESS: Because I didn't.

10 | JUDGE STIRMER: I thought you just said that you had
11 | more than \$1 million.

12 | THE WITNESS: But I had sold it.

13 | JUDGE STIRMER: You had sold the million dollars?

14 | THE WITNESS: It was all owed to Metropolitan.

15 | JUDGE STIRMER: What is that, sir?

16 | THE WITNESS: It was all owed to the Metropolitan
17 | Insurance Company.

18 | MR. SHOOK: Okay. Maybe we can clarify this.

19 | BY MR. SHOOK:

20 | Q What available money did you have to build a radio
21 | station when you submitted this application?

22 | A I had my retirement.

23 | Q And what was that retirement going to pay?

24 | A The retirement was \$750,000.

25 | Q And where was that retirement money coming from?

FREE STATE REPORTING, INC.

4 A No.

5 Q When did that situation change?

6 MR. DUNNE: Objection, Your Honor. What does that have
7 to do with the issues?

8 JUDGE STIRMER: I would like to sustain your objection,
9 but I don't understand the witness's testimony, Mr. Dunne. I
10 really don't. He makes reference just a moment ago to several
11 million dollars that he had, and then he tells me that he has
12 no money to do things. I really don't understand it, and I
13 would like clarification.

14 MR. DUNNE: Yes, Your Honor. May we go off the record

21 the question that is asked of you and answer that question to
22 the best of your ability. Don't volunteer any additional

5 Q Okay. Mr. Stewart, it is now March of 1987. You are
6 applying to the FCC to build a radio station. What is your
7 financial situation at this point?

8 A Good.

9 Q Okay. And why would you say it was good?

10 A I was receiving at this time \$1,000 per month as
11 income.

12 Q Okay. One thousand dollars per month?

13 A A week. A week, I mean. A week.

14 Q Okay. One thousand dollars per week?

15 A Yes.

16 Q And now is there any other money coming in?

17 A No.

18 Q Okay. Is there any money coming in to your wife?

19 A She is working.

20 Q Okay. And how much is she earning per week while you
21 are getting \$1,000 a week?

22 A A hundred and sixty.

23 Q Okay.

24 COURT REPORTER: I'm sorry. I didn't hear you.

3 Q Okay. So between you and your wife, we have \$1,160
4 coming in per week in March of 1987. At this point, what real
5 estate do you own? At this point, what I am talking -- when I
6 say "this point," it is in the context of March of 1987.

7 A Where I live.

8 Q Which is that house in Poplar Bluff?

9 A That's right.

10 Q Okay. Do you have any other real property?

11 A No.

12 Q Do you have -- okay. So you are getting \$1,160 per
13 month and --

14 A A week.

15 Q A week. And the residence that you own is the only
16 real property that you have?

17 A That is correct.

18 Q What other -- and where is this \$1,000 a week coming
19 from to you?

20 A From High Point Farms, which --

21 Q And what is High Point Farms?

22 A It was what I owned as, and operated under Stewart
23 Farms. And I sold it, and I sold it on credit. It took over
24 the -- the loans that were against it was taken over, and I
25 was to be paid at the rate of \$1,000 per week for 15 years.

4 Q Okay. Do you have access to that agreement?

5 A Not now, no.

6 Q Okay. Did there come a time when that agreement is no
7 longer in effect?

8 A That is true.

9 Q And when did that take place?

10 A Along in September of '88.

11 JUDGE STIRMER: What happened? The purchaser stopped
12 paying?

13 THE WITNESS: It went broke.

14 JUDGE STIRMER: It went broke? The egg business went
15 broke?

16 THE WITNESS: Sir, it went broke. The bank took the
17 trucks. The Metropolitan took the land. And I ended up with
18 a zero. It was bad management, but anyway I ended up with
19 zero.

20 JUDGE STIRMER: All right.

21 BY MR. SHOOK:

22 Q Okay. So you were receiving \$1,000 a week between

FREE STATE REPORTING, INC.

4 A Yes.

5 Q Okay. And now getting back to the application, though.
6 When you discussed with Mr. Fisher -- you did discuss with Mr.
7 Fisher where you wanted to locate it, where you wanted to
8 locate the tower? Right?

9 A Yes.

10 Q Okay. And what considerations did you and Mr. Fisher
11 discuss in determining that you were going to locate the
12 tower, you know, where you proposed to locate it?

13 A Actually, as far as I can recall, there was none.

14 Q Okay. So you and Mr. Fisher never discussed the
15 possibility that your tower location would adversely impact
16 local residents in a blanketing situation?

17 A We only discussed Channel 6 and where that contour came
18 to and how many people would be affected by it towards the
19 Wappapello area.

20 Q Okay. Towards the what?

21 A The Wappapello, what we call the Wappapello area.

5 and then there is --

6 A Is this page 11?

7 Q Excuse me?

8 JUDGE STIRMER: That is the page you want him to look

10 MR. DUNNE: May I?

11 JUDGE STIRMER: Yes, please.

19 A Sir, repeat that, please.

20 Q Okay. I have referred you to a solid line and a dotted

3 | Q Okay. And so that was an area that you understood
4 | might be affected by the presence of your radio station?

5 | A Yes.

6 | Q And this was something that you specifically discussed
7 | with Mr. Phillips?

8 | A Fisher.

9 | Q Fisher. Excuse me. And the answer to that question
10 | was "yes"?

11 | A Yes.

12 | Q Okay. But you and Mr. Fisher did not discuss Question

18 | MR. DUNNE: Objection, Your Honor. I think the ques-

4 BY MR. SHOOK:

5 Q Now moving back to page 2 of your testimony -- excuse

7 After the first conversation with Ms. Smith, there is a refer-
8 ence here to, or there is a statement, "We made an announce-
9 ment in the newspaper that the station would be going on the
10 air on April 1." Now whose is "we," and what was the news-
11 paper?

12 A The newspaper was the DAR.

13 Q And what is that?

14 A The local paper here in Poplar Bluff.

15 Q Okay. And, I mean, for the record, could you just
16 spell out what it is that, you know, "DAR" represents?

17 A It is Daily American Republic.

18 Q Okay. And how many times did that announcement appear
19 in the newspaper?

20 A I would say probably once.

21 Q And this was what? In the nature of letting the local
22 population know that there was going to be a new radio station
23 in town?

24 A There were other announcements before this one.

25 Q Okay. What other announcements were there, and when

FREE STATE REPORTING, INC.

1 were they made?

2 A Firstly, there was the public announcements.

3 Q And what do you mean by that?

4 A That we put in the public announcement, ran it three
5 times on a given date, and it was on public file up here at
6 Kennedy's attorney law office.

7 Q Oh, I understand what you are talking about. You mean
8 the FCC-required public notice when the application was filed?

9 A Yes, it was the first step we did.

10 Q Okay. All right. But then this newspaper announcement
11 here is simply for purposes of letting the local population
12 know that you are about to come on the air? Right? The one
13 that you reference here in your testimony.

14 A There was others before this.

15 Q Right. Now we have already talked about some of those.

16 A But there was others.

17 Q There were others? Okay. And what others were there?

18 A That we -- public meetings. There was one.

19 Q Okay. And what was that all about?

20 A To see if the community really wanted a Christian radio
21 station.

22 Q When was this meeting held, and what was that all
23 about?

24 A It would had to have been after we received the permit
25 from the FCC.

FREE STATE REPORTING, INC.

1 Q Okay. So you have received the construction permit and
2 you are simply holding a local public meeting to find out, you
3 know, what the sentiment is for having a Christian radio
4 station?

5 A Yes.

6 Q And when did that -- do you remember when that took
7 place?

8 A Around the, after the first of the year.

9 Q The "first of the year" meaning 1988? Right?

10 A That is correct.

11 Q Okay. And the purpose of this meeting was, among other
12 things, to start raising funds?

13 A That is correct.

14 Q This is to help put the tower up? Right?

15 A Yes.

16 Q Develop a bank account for the station --

17 A Yes.

18 Q -- so that you have money in the bank when the station
19 goes on the air?

20 A Yes.

21 Q Now on April 1, your testimony is that, "Ms. Smith
22 called the house to tell us that our radio station was messing

24 A Yes.

25 Q So you spoke with Ms. Smith?

4 Q So she wasn't at home at the time?

5 A That is correct.

6 Q And what other -- what, if anything, else did you and

7 Ms. Smith talk about?

8 A Not anything.

9 Q Okay.

10 JUDGE STIRMER: Well, what did you say when she told

11 you that your radio station was messing up her TV reception?

12 THE WITNESS: I told her that it was impossible, that

13 there wasn't even any equipment there or electric.

14 JUDGE STIRMER: What did she say to that, if anything?

15 THE WITNESS: Nothing that I can recall.

16 JUDGE STIRMER: And that ended the conversation?

18 JUDGE STIRMER: All right.

19 BY MR. SHOOK:

20 Q Did she describe, you know, how her TV reception was

24 A Yes.

25 Q Was Ms. Smith the only person that you received a call

4 which stations -- you know, which channels were being messed
5 up?

6 A No, sir.

7 Q Okay. Moving on to paragraph 4.

8 MR. SHOOK: Your Honor, when do you propose to --

9 JUDGE STIRMER: About 6.

10 MR. SHOOK: Okay.

11 BY MR. SHOOK:

12 Q Now, Mr. Stewart, I am moving on to paragraph 4 of your

14 A Yes.

15 Q Okay. Now the second sentence reads, "Within a
16 half-hour or so, we began to get calls from people complaining
17 about interference. Most of the people called simply to
18 complain. They didn't give their name." Were you receiving
19 any of these telephone calls?

20 A No, sir.

21 Q Who was receiving the telephone calls referenced here?

22 A A gentleman by the name of Jim Baggett.

23 Q And what was his function at the station at the time?

24 A He was the station manager.

25 Q Okay. Did anybody call and speak to you about --

3 A No.

4 Q Now Mr. Baggett spoke to you about the calls that he
5 received?

6 A Yes.

7 Q And Mr. Baggett told you, "I am getting these calls
8 about interference"?

9 A Yes.

10 Q And he told you that most of the people are calling
11 simply to complain and they are not giving their names?

12 A That is correct.

13 Q Now the next sentence, it reads, "Ms. Smith called to
14 complain about the station's interference to her TV set,
15 primarily to the reception of Channel 6." Now was this call
16 also to Mr. Baggett, or did Ms. Smith call you?

17 A These were going to Mr. Baggett. I at this time had
18 nothing to do with the station.

19 Q Okay. What were you doing then?

20 A I was just -- I had no special job. I was just in and
21 out, around.

22 Q Now the next sentence reads, "We received the first

2 document that is an attachment to your wife's testimony. Is
3 that the letter that you are referring to from the FCC?

4 A I did not see the letter personally. I heard of it.

5 Q Okay. And how did you come to hear of it?

6 A After Mr. Baggett left, this was in the file.

7 Q Okay. This letter comes in from the FCC and you don't
8 know anything about it until Mr. Baggett leaves?

9 MR. DUNNE: Objection, Your Honor. That wasn't his
10 testimony.

11 MR. SHOOK: Your Honor, I am not characterizing. I am
12 just asking him a question.

13 MR. DUNNE: He testified that he heard about it and he
14 didn't see the letter until after Mr. Baggett left.

15 JUDGE STIRMER: Reframe the question as to what his own
16 personal knowledge is of the matter.

17 MR. SHOOK: Okay.

18 BY MR. SHOOK:

19 Q Mr. Stewart, when did this letter come to your atten-
20 tion?

21 A After Mr. Baggett resigned and left.

22 Q Okay. Now does that mean that you knew nothing about
23 the letter while Mr. Baggett was at the station?

24 A That is correct.

25 Q However, you knew that complaints about interference

1 had been made? Correct?

2 A Yes.

3 Q Now when you came upon this letter from the FCC, about
4 when did this take place? When did you become aware that this
5 letter existed?

6 A It was some time.

7 Q Okay. Try to give us an idea of how much time is "some
8 time."

9 A Probably December of '88.

10 Q Okay. The letter references two complaints. Do you
11 see that? Take a look at the letter.

12 A Yes.

13 Q Okay. Do you know which two complainants are involved?

14 A I have no idea.

15 Q Right. The letter doesn't say who they are? Correct?

16 A Yes.

17 Q Okay. Does the name Dariel Denton mean anything to
18 you?

19 A Not personal.

20 Q Does it mean anything to you?

21 A I have heard it.

22 Q Okay. And how is it that you have heard it?

23 A Through general conversation.

24 Q Okay. Do you recall ever having spoken with
25 Mr. Denton?

1 A No.

2 Q Okay. So you don't know whether Mr. Denton may have
3 been one of those two persons referenced in this October 21
4 letter from the FCC?

5 A No, sir.

6 Q There did come a time, though, when you read this FCC
7 letter? Right?

8 A It came to my attention.

9 Q Okay. When it came to your attention, did you read it?

10 A No.

11 Q Okay. Was there any particular reason why you didn't
12 read it?

13 A I wasn't -- I wasn't the manager of the station.

14 Q Okay. Let me backtrack here. I understood from what
15 you said that when Mr. Baggett was at the station he was the
16 station manager? Right?

17 A That is correct.

18 Q And that you didn't see this letter until after
19 Mr. Baggett left. Now is there somebody else who comes into
20 the station as station manager?

21 A Yes.

22 Q All right. And who is that?

23 A A gentleman by the name of Ben Tippet,
24 T-I-P-P-E-T.

25 Q Okay. Now but at that point when Mr. Tippet is there,

1 | you have become aware of this letter? Correct?

2 | A Yes.

3 | Q But you didn't read it?

4 | JUDGE STIRMER: Wait a minute. How did you become
5 | aware of it?

6 | THE WITNESS: The secretary informed me of a letter
7 | that she found in the drawer that was written to Mr. Baggett.

8 | JUDGE STIRMER: From the FCC?

9 | THE WITNESS: From the FCC.

10 | JUDGE STIRMER: Did you ask to see that letter?

11 | THE WITNESS: She just informed me, said, "There is a
12 | letter to Mr. Baggett."

13 | JUDGE STIRMER: What was your reaction?

14 | THE WITNESS: Not anything.

15 | JUDGE STIRMER: Well, now you had just went on the air,
16 | did you not. And you get a letter from the FCC, and you have
17 | no reaction whatsoever, don't even want to read it? Is that
18 | your testimony?

19 | (Pause.)

20 | THE WITNESS: I was made aware of it.

21 | BY MR. SHOOK:

22 | Q Okay. And to the extent that you were made aware of
23 | it, that is reflected in your testimony here in paragraph 4?

24 | (Pause.)

25 | A Yes.

1 Q Okay. So you understood that the letter from the FCC
2 explained what blanketing interference was and what the sta-
3 tion was supposed to do about it? Right?

4 (Pause.)

5 A This was given to the manager of the station.

6 Q Right. Who was responsible to you, right? You are the
7 president of the licensee?

8 (Pause.)

9 A I didn't know what to do.

10 Q Okay. Now I am looking at the last full sentence that
11 appears on page 2.

12 A When I was informed of it, I did not know what to do.

13 Q Okay. Let me refer you to your testimony, your written
14 testimony. It is buried in there someplace. Okay. Do you
15 see the last full sentence on page 2, the sentence that reads,
16 "The information received from the FCC with the complaint
17 explained what FM blanketing interference was and also what
18 the station was supposed to about it"?

19 A Yes, I see it.

20 Q Okay. And that is your testimony?

21 A Yes.

22 Q All right. Now when did you come to the understanding
23 of what the FCC letter said and what the station was supposed
24 to do about the FM blanketing interference?

25 A This was turned over at the time to the engineer.
